THE INSTITUTE OF CHARTERED ACCOUNTANTS OF NEPAL
(Established under the Nepal Chartered Accountants Act, 1997)

Notice to Students

Eligibility Test (Pre-test Examination)

Date- 11th September 2020

This has reference to the notice issued by the Institute on 19th March 2020 informing students regarding temporary discontinuation of eligibility tests (Hall Test and Postal Test) being taken by the Institute for various levels of students due to the lockdown in various parts of the country imposed by the Government of Nepal to curb the pandemic created by COVID-19.

However, considering the necessity of students to clear their eligibility test to appear in final examination of each level as required by Rule- 12 of Nepal Chartered Accountants Rule, 2061, the Institute has developed an Online Portal to conduct eligibility test of all the level of students. The Online Portal will be available for the students in ICAN website under 'Student Login'. The Online Portal has been designed for the ease of students and is expected to help students to pass their eligibility test examinations sitting remotely. Therefore, students whose eligibility test examination is due (Yet to Pass) can now appear for the examination of respective subjects by logging into Online Pretest examination portal.

Online Pretest Portal will be available for appearing in eligibility test examination from 14th September 2020 for CAP II level and from 16th September 2020 for CAP I and CAP III level. Further, as informed earlier about the extension of time to pass the eligibility test by the students appearing in December 2020 examination, the date has been extended up to 15th October 2020. Students whose registration validity has expired or going to be expired merely due to non-completion of pretest examination, their registration shall not be treated as expired if they pass their pretest examination by 15th October 2020.

Students will be provided with the Rules, Regulations and Operational Guidelines of online pretest examination. Students also can attend the test of 'Demo Subject' by themselves before attending online pretest examination.

Wish you all the best for online pretest examination.
